## giftaid it

Make your gift go even further. We can claim back the basic rate of tax on any donations received from UK taxpayers – all you have to do is sign and date the form below. Every £1 you give us will be worth £1.25. Please tick one of the boxes below.

❑ Yes: I am a UK taxpayer and I want PDSA to treat all donations I have made in the past four years and all donations I make from the date of this declaration as Gift Aid donations, until I notify you otherwise.

❑ No: I am not a UK taxpayer (this will save us writing to you again about Gift Aid).

Date _____ Signature _____

Name _____

Home address _____

_____ Postcode _____

You must pay an amount of Income Tax and/or Capital Gains Tax for each year (6 April one year to 5 April the next) that is at least equal to the amount of tax that PDSA will reclaim on your donations for that tax year.

In simple terms HM Revenue & Customs is asking you if you have paid enough tax to cover what PDSA will reclaim – almost all taxpayers will have done so.

Please let us know if you change your address or if you no longer pay an amount of tax equal to the tax we will reclaim on your donation.

If you pay income tax at the higher rate, you must include all your Gift Aid donations on your Self-assessment tax return if you want to receive the additional tax relief due to you.
