

Treasure hunt

Instructions

Before the party

- Glue this page to a piece of card.
- Carefully cut out the coins (more can be downloaded from www.pdsa.org.uk/petprotectors).
- Hide the coins around the house – make sure they are out of reach of curious pets!

How to play

- Divide your guests into Team Sparky and Team Amber. One team will search for Amber's cat friends and the other will search for Sparky's doggy friends.
- If any team member finds a coin for the opposite team, they must put it back.
- Give the teams a set time to find as many coins as possible.
- The team with the most coins wins!
