### **Accident Only – policy explanation**

Our Accident Only cover level **DOES NOT COVER ANY ILLNESS**, it is a “Maximum Benefit” policy which enables you to claim up to the specified limit of £2,000 for vet fees for treatments arising from an accident, from when it is first noted by you or your vet. The cover level decreases with each claim you make. When you renew your policy the cover level will be set at the sum available as at the last day of cover prior to the renewal date. The £2,000 of cover for the condition does not reset when you renew the policy. For example, if your pet suffers an accident, you can claim for several treatments related to that incident – but to a maximum of £2,000. When the specified £2,000 limit is reached you will no longer be able to claim for treatment arising from that particular accident, but you could claim for further separate incidents – again, the specified limit would be £2,000.

#### **Example veterinary fees claim -**

Maximum cover £2,000 policy starts on 1st January

Condition first noted 1st June

Claim cost £250 for treatment on 1st June

Renewal cover level - £1,750 after 31st December for that condition but without time limitation.

**Condition:** Any **injury** sustained during, or resulting from, a single **accident** or any manifestation of an **illness** having the same diagnostic classification or resulting from the same disease process regardless of the number of **incidents** or areas of **your pet's** body affected. **Illness** is not covered at all on the **Accident only policy**.

Recurring and/or chronic **injuries** shall be considered as one loss. Such **injuries** being defined as:

If **your pet** is referred to a specialist please make sure that the **vet** who normally treats **your pet** has completed a separate claim form for the initial costs. **We** will not be able to assess the claim form and supporting invoices from the referral practice until **we** have processed the initial **treatment** from **your own vet**.

With **your** authority **we** will pay **your** claim settlement directly to the **vet** on **your** behalf.

If **you** have asked **us** to pay **your vet** **we** will send payment directly to the practice and if there is any amount other than the **fixed excess** or **variable excess** that **we** cannot pay because the costs are not covered **we** will tell **you** in writing. **You** must settle with **your vet** any amount **we** cannot pay.

PDSA Petsurance  
The Connect Centre  
Kingston Crescent  
Portsmouth  
PO2 8QL

If **you** make a claim within the first 14 days of the **policy** start date then this will be taken as accepting the **policy cover**, no refund would then be available.

The **policy** is an annual contract of insurance that can be paid monthly. If the premium is paid under a monthly instalment option and a claim has been settled during the **period of insurance**, **you** must continue with the instalment payments. Alternatively **we** will deduct outstanding instalments from any claim payment that may be due to **you**.

If the annual payment option is chosen and a claim is paid, no premium will be refunded if the **policy** is cancelled during the same **period of insurance**.

Provided there has been no claim or **incident** likely to give rise to a claim during the current **period of insurance** and **you** cancel **your policy**, **we** will calculate the proportionate premium for the period **you** have been insured and refund any balance.

If a claim has been submitted or there has been any **incident** likely to give rise to a claim during the current **period of insurance** no premium refund will be given.

If Your Pet dies or is reported as lost or stolen and **You** need to make a claim, the remaining premiums for the full policy year will not be charged.

**We** can cancel this **policy** if there are serious grounds to do so, for example:

1. Where **we** have been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **us** when **you** took out this **policy**); or
2. **You** have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this **policy**; or
3. **You** have failed to co-operate or provide information and assistance in relation to any claim under this **policy** or with regards to the administration or operation of this **policy**; or

6. Where **you** use threatening or abusive behaviour towards a member of **our** staff or a member of staff of **your vet** or **our** supplier.

**We** will do this by giving **you** notice in writing to **your** last address notified to **us**.

**We** have the right to terminate this **policy** with immediate effect in the event that **your** premium is not received ten days after the due date.

## **Claims**

If **your vet** and **our vet** disagree about any **veterinary** issues connected to **your** claim **we** may appoint another **vet** as an independent expert that **we** both agree to use and whose decision **we** both agree to accept.

In the event of any possible claim under any sections of this insurance **you** must notify **us** as soon as possible and no later than 60 days after discovery of any possible **incident** likely to result in a claim.

Telephone: 0330 234 0599.

If **you** do not contact **us** within 60 days of discovery of the **incident** and this prejudices **our** ability to verify the claim then, other than in exceptional circumstances, **we** will be unable to deal with **your** claim.

**You** do not need to contact **us** before any **treatment** begins except for **alternative medicine** or **complementary treatment**. **We** will require **your policy** number when **you** call so please have this ready.

Please note that calls may be monitored or recorded to assist with training and for quality control purposes.

### **Claim form completion**

**We** will never guarantee payment of a claim over the telephone. If **you** want to make a claim **you** must complete **your** sections of the claim form and for **veterinary** fees, arrange for **your vet** to fill in their part along with a full medical history and return to **us** within 60 days of the **pet** receiving the **treatment** or as soon as possible thereafter.

For death claims **we** will additionally require the original purchase receipt, **vet's** death confirmation or independent witness statement.

**We** only accept invoices that are on a **veterinary** practice headed paper and contain VAT amounts and a VAT number if **your vet** is VAT registered. Financial and **treatment** histories headed "Insurance Report" or similar are not acceptable.

**You** will be responsible for any costs charged for the completion of the form. If all or part of **your** claim cannot be paid **we** will tell **you** in writing.

Send **your** claim form and supporting documents to:

PDSA Petsurance  
The Connect Centre  
Kingston Crescent  
Portsmouth  
PO2 8QL

Subject to **policy** terms and conditions **we** will pay **your** claim if the claim form is correct and complete:

1. When **we** have all the information **we** need to support the claim.
2. When **we** are sure that the claim is valid.
3. When any legal action or other action has been settled.

If it is more convenient and **your vet** agrees, **we** can pay claims directly to **your vet**, after deductions. **You** can tell **us** to do this when **you** make a claim. **We** will not pay **veterinary** fees directly to anyone who is not a **vet**.

If **you** have asked **us** to pay **your vet** **we** will send payment directly to **your vet** and if there is any amount other than the **fixed excess** and **variable excess** that **we** cannot pay because the costs are not covered **we** will tell **you** in writing.

**You** must settle with **your vet** any amount not covered under this **policy**.

If **we** have made any overpayment regarding claim settlements, this will be requested back in full and/or deducted from any future claims.

If any liability under this insurance is covered by any other insurance policy **we** will not pay any claims until that cover is exhausted.

Following a claim **we** shall be entitled to take over and exercise any rights in **your** name against any other party for **our** own benefit and at **our** own expense to recover any payment **we** have made under this **policy**.
