PDSA is a charity. We want a lifetime of wellbeing for every pet. Every day, the team at this Pet Hospital - one of 48 across the UK - care for sick and injured pets, saving lives, and helping keep pets healthy and happy.

It costs us more than a million pounds each week to care for the UK's most vulnerable pets.

We receive no Government funding. Every penny comes from pet owners using our services and other supporters.

**Every
10 seconds
someone in the
UK calls a PDSA
Pet Hospital for
help for their
pet**

**We see
more than
5,300 pets
each day
across
the UK**

FREE TREATMENT FOR ONE PET

If you receive Housing Benefit, Council Tax Support or Universal Credit (with a housing element).

We will ask you to contribute what you can towards consultation and treatment costs.

You may also qualify for low cost treatment if you receive certain benefits such as Child Tax, Working Tax Credit and Universal Credit (without housing element). Pensioners living in a home that is in Council Tax Bands A-D* may also qualify for low cost treatment.
