

Welfare dice

How to make a dice

1. Carefully cut around the dice net and fold along each line.
2. Add glue to the tabs and press the sides together.
3. Roll the dice!

How to play

1. Roll both dice together.
2. List all the things you could do to meet the need you've landed on for the pet you've landed on.

e.g. If you land on the cat and the 'Food and Water' icon, you could say cat meat, biscuits and water.

 **Environment -**
Providing pets with a suitable place they can call home.

 **Health -**
Protecting pets from pain and suffering.

 **Behaviour -**
Allowing pets to behave as nature intended (play, run, dig or fly).

 **Companionship -**
Offering friends for pets who want them and space for pets who don't.

 **Diet -**
Making sure pets have the right food and right amounts as well as access to fresh, clean water.
